

Exam Board: Edexcel

Subject: History

Paper: 3

Marks available: 52

Length of paper: one hour 20 minutes

Topics:

Weimar Germany

Nazi Germany

Exam Information, guidance and hints

Markschemes:

Inference - 4 marks

What is the source implying - how do you know (quote) - do this twice

Explain why (12) - you need two separate reasons in two separate paragraphs - you also need to add 3 separate pieces of historical evidence.

Link the information to the question with phrases like - this led to. This resulted in.. this caused

Usefulness of the source - use

What is the source telling you?

How do you know - quote if possible

Own Knowledge - that is relevant you can add

Limitations or strengths of the origin of the source

Evaluation - does the origin of the source using the origin

How are the two interpretations different?

State the difference between the two interpretations and then quote from each one to show what you mean?

Why are they different?

Start with a sentences that says theta re different because they have used different sources - then say which interpretation has used which source and how you know

How far do you agree with a particular interpretation

State your view - explain fully using the Interpretation and your own knowledge

Why could some agree with the other Interpretation? Why

Why is your view stronger?
