Subject: Change to Sparx Maths and Science Homework Deadline

Dear Parent/Carer,

We are writing to inform you of an important update regarding the submission deadline for Sparx Maths and Science homework.

Effective from Monday, 3rd November 2025, the weekly deadline for Sparx homework will be:

Thursday at 4:00pm

This change has been introduced to help students manage their workload more effectively and to allow teachers sufficient time to review homework completion before the end of the week. By moving the deadline forward, we aim to:

- Encourage students to complete homework in a timely manner, reducing last-minute pressure.
- Enable staff to identify and support students who may require additional help.
- Establish a consistent routine that supports a healthy balance between homework, revision, and personal time.

We kindly ask that you remind your child to plan their Sparx homework sessions accordingly and aim to complete all tasks well before the Thursday 4:00pm deadline.

Thank you for your continued support in promoting strong homework habits, which are essential for developing confidence and success in mathematics and science.

If you have any questions or concerns regarding this change, please contact Mr Jonathan Ward at jward@sdcc-smhc.net.

Yours sincerely,

Mr J Ward

Campus Head of Year 11

Stoke Damerel Community College and Scott Medical Health College
