

30th January 2026

Dear Parents and Carers,

As we continue to support Year 11 students through this crucial stage of their GCSE journey, I would like to share a positive update regarding their recent academic progress and the next steps towards our end-of-year celebrations.

Over the past term, students have worked extremely hard in preparation for their recent mock examinations. We have been pleased to see strong levels of engagement with homework, revision activities, and exam preparation. The mock results have provided valuable insight into students' strengths and areas for development, and many students should feel proud of the progress they have made so far.

Alongside academic achievement, attendance continues to play a vital role in student success. Regular and punctual attendance has enabled students to access high-quality teaching and make consistent progress. We would like to commend those students who have demonstrated **excellent attendance**, as this commitment has had a clear and positive impact on their learning outcomes.

With this in mind, we are pleased to announce the release of the first wave of Year 11 Prom tickets. Students included in this first wave have demonstrated excellent attendance, consistently completed all homework, and achieved strong results in the recent mock examinations through their preparation and commitment to success.

This approach enables us to recognise and reward students who have shown sustained effort, resilience, and dedication to their studies, and we look forward to celebrating their achievements with them.

Further waves of Prom tickets will be released later in the year, providing all students with the opportunity to meet the required expectations. We strongly encourage students to continue focusing on attendance, revision, homework completion, and a positive attitude to learning in the weeks ahead as we move towards the final round of the Mock Exam from Monday March 2nd to Friday March 13th.

- Wave 2 release March 2026
- Wave 3 release April 2026
- Final Wave May 2026

Thank you, as always, for your continued support in motivating and encouraging your child. Working together, we can ensure that all students finish the year confidently and are able to celebrate their achievements in a well-deserved and memorable way.

If you have any questions regarding academic progress or Prom eligibility, please do not hesitate to contact me.

Thank you for your ongoing support and partnership.

Yours sincerely,

Mr J Ward
