

March 2026

Dear Parent/Carer,

**Year 9 Parents Evening**

On Thursday 26th March 2026, you are invited to attend your child's parents' evening between 3.30 pm and 6.30 pm. Following parental feedback, we continue to run this online and appointments are five minutes long.

Please visit <https://scottmhc.schoolcloud.co.uk/> to book your appointments. Your login will be authenticated by your title and your surname, which must match the data we hold. The online booking system will open at 9am on Wednesday 4th March and will close at 3pm on Wednesday 25th March. Should you wish to make any changes after this date please contact the College reception.

Following the parents evening we will commence our options process. Students currently study an introductory curriculum in our specialist subjects, so are well informed of the courses on offer. However, for your information our website contains subject information leaflets which outline the content studied and details the assessments and type of qualification. To access this please visit [www.scottcollege.co.uk](http://www.scottcollege.co.uk) - click on 'Learning' then under the banner of 'Curriculum' follow the link to Year 9 Options.

Students continue to study Core Subjects; English Literature and Language, Maths, Statistics, Biology, Chemistry, Physics, Core PE and PSE. Alongside these subjects students will study three options, choosing one EBacc subject and two from our Open offer (detailed below). A google form will be shared on Monday 30th March for students to make their choices.

Anita Frier, Headteacher

Scott Medical and Healthcare College • Somerset Place • Plymouth • PL3 4BZ
