

April 2026

Curriculum Extension Week - Year 9 (SMHC)

As we approach the Summer Term, we have some exciting news!

We have been busy planning a series of activities for students in the final week of the academic year to ensure they finish Year 9 continuing to create lifelong memories.

As part of the week, students will participate in a range of activities that celebrate our local area; be involved in a practical skills day; participate in a range of sports; go swimming in Plymouth Lido; and come together to celebrate the end of the year. Further details will be shared during the Summer Term.

As part of the adventure for Year 9, all students will be going to Plymouth Lido, and on a different day, getting a boat over to Mount Batten to take part in a Rock Pool Safari. There will also be department led activities on site throughout the week.

We have subsidised the cost heavily to ensure all students can participate in this exciting week which looks to enrich the World Class curriculum we offer. Therefore, the final cost for students, to cover the week's activities, is £10 and can be paid via the MCAS app. This payment will go live on Monday 20th April. The deadline for payment is June 30th.

Further details of the week's activities will be released during the Summer Term.

We hope your child is looking forward to the week as much as we are.

Yours faithfully,

Mrs Merricks
Head of School

Anita Frier, Headteacher
